- The geographical similarities and differences through the study of physical and human geography of a place.
- Human geography including types of settlements, economic activity, trade links and distribution of food and other resources.
- How to use co-ordinates symbols and keys on maps.
- Use field work to identify the human and physical features of a local area.

**Previous Learning:**

Children have previously done an in-depth study of their local area in Year 2. This involved studying maps and being briefly introduced to grid references. In Year 1, the children were introduced to points on a compass and analysing aerial photographs.

**Preparing for:**

In Year 4 the children learn about the River Humber and how the location of our town impacts the land use.

**Bespoke to our school:**

A local area study that begins to introduce the world of work to the children.

**Resources/ actions**

ordinance survey maps

Digi-maps

organise trip to Cleethorpes (Wednesday as it's market day)- (look at market place, high street, promenade, pier, boating lake)

organise trip around Immingham dock area- (ABP dock)

**Expert outcome:**

Would you prefer to live in a port or resort? – Literacy link ( discussion text).
