

## *Weekly News*

We have had a really busy week in school this week. Within our Collective Worship, we have reminded ourselves of the Creation Story and how we can be Stewards of God's World. The children shared some very good ways in which we can look after the Earth for future generations. Our choir have attended their first performance at St Andrews' Church this year singing for the residents of Glyn Thomas and also the church congregation. The children performed with enthusiasm, demonstrated impeccable manners and represented the school well.

## *New Starters- September 2023*

It has been fantastic to welcome our new reception children into school. They have settled well into the new routines and have made some fantastic friendships. The children have demonstrated outstanding behaviour and engaged well with both adult-led and child-led learning. Last week they started RWI phonics and Miss Elson was really impressed with how well the children retained this new learning. We are looking forward to being part of their learning journey.

## *Bingo Night*

Please save the date in your diaries for our first fundraising event of the year. This will be a Bingo night on Thursday 5<sup>th</sup> October at 3:45pm. Further details to follow next week.

## *Phonics Open Morning for Reception*

On Tuesday 26<sup>th</sup> September at 9:10am, we are inviting the parents of our reception children into school to join the children for a phonics session. This will provide you with an insight into how we teach early reading and also find out ways in which you can support your child at home. We look forward to seeing you there.

## *Year 5 Young Leaders*

This week Class 5 took part in Young Leader Training. The children learnt how to deliver playground games that all CPH pupils can take part in. Hopefully some of Class 5 will volunteer to lead these games on a weekly basis. The training consisted of understanding how to set up, deliver and adapt the games when necessary. The focus was on fun, creativity, communication skills and inclusivity. The children had a great time developing their leadership skills and seem excited at the prospect of delivering the games to all children at CPH.
