Dear Parents/Carers

Friday 2nd February is National Number Day, which we are going to celebrate in school ALL DAY! We have maths investigations, a TTRS competition (in KS2), and an opportunity for the children to dress up.

We would like to invite all children to '**dress up for digits**' to raise money for the NSPCC charity. This means the children can wear an item of clothing with a number on it; this can be as simple as a sports cap, a onesie or a football shirt! Or you could get even more creative and design a unique t-shirt, hat or even dress up as a human-sized calculator or dice! Children do not need to wear their uniform on this day but if you wish for them to do alongside a simple number accessory, that's absolutely fine!

Below is a link to a video to see what the NSPCC Number Day is all about:

If you have any queries about this event, please contact myself or your class teacher.

Yours sincerely

Mr T Caulfield
Maths Lead
