

Weekly News

It has been great to see that the children have settled back into their daily routines and are excited by their new units of learning. This week, we have started to reintroduce weekly Spanish lessons to our timetables and the children have responded with great enthusiasm. I am sure they will start to share their new knowledge and skills in Spanish with you at home over the coming weeks.

Staffing Vacancy

We are currently advertising for a new caretaker. This role is a permanent role for 25 hours per week. Further details can be found on the trust website using the link below:

or by contacting the school office.

Sporting Success

On Tuesday we had a busy day of sport with a Y3/4 and a Y5/6 athletics team going to the indoor athletics competition at Oasis Immingham. The children's behaviour was impeccable and they were a real credit to the school.

Our Y3/4 team came 4th and our Y5/6 team came 3rd. We received the exciting news on Tuesday evening that overall the Y5/6 team finished 16th out of 26 schools and have made it through to the Develop Final on the 31st January. The Y3/4 team took part in the first heat of the school competition so in a couple of weeks we will hear if they have made it through to a final.

Home Reading

This week, we launched our new online home reading records with parents of children in Years 1, 3 and 6. This was received with great enthusiasm by the parents who joined us for the session and they commented on how easy it is to use and the benefits they can already see. Teachers have been thrilled to receive the comments sent in and have loved watching the videos of children reading at home. Please keep sharing your feedback on this new initiative with us to help us make a decision if to extend this to all classes.

National Number Day

Friday 2nd February is National Number Day, which we are going to celebrate in school ALL DAY! We have maths investigations, a TTRS competition (in KS2), and an opportunity for the children to dress up. We would like to invite all children to **'dress up for digits'** to raise money for the NSPCC charity. Please see the letter accompanying this newsletter for further details.
