

Reading Response	Fine and Gross motor activities
<p>Thank you for reading and returning the library books we send home every Friday. It is lovely to read all the responses that you write in your children's reading diaries.</p> <p>Fiction</p> <ul style="list-style-type: none"> • Draw a picture of your favourite character in the story that you enjoyed most. • Record a video telling us about your favourite character in the story. <p>Non-Fiction</p> <ul style="list-style-type: none"> • Follow the instructions to make the product in the book e.g pizza/ maraca • Record a video telling us what you learnt from the story. 	<p>To help develop your muscles for writing please have a go at some of the following activities.</p> <p>Gross motor</p> <ul style="list-style-type: none"> • Kick or throw a ball back and forth together. • Visit the park and climb the climbing frame and slide. <p>Fine motor</p> <ul style="list-style-type: none"> • Paint a picture (this could be done outside using water and a brush) • Practise zipping up your coat independently. • Cutting out pictures or making snips with scissors in paper.
Project response	Shape facts
<p>This half term we are learning about the Ugly duckling. To help you learn more about this topic, please have a go at one or more of the following activities:</p> <ul style="list-style-type: none"> • Go for a walk to feed the ducks • Find out about other animals that live in water • As the story of the ugly duckling is all about being different – look at yourself and your family members in a mirror and talk about what is the same/different (hair colour, eye colour etc) 	<ul style="list-style-type: none"> • Recognise 2D shapes: <div style="display: flex; justify-content: space-around; align-items: flex-end; margin-top: 10px;"> <div style="text-align: center;">  <p>Circle</p> </div> <div style="text-align: center;">  <p>Square</p> </div> <div style="text-align: center;">  <p>Triangle</p> </div> <div style="text-align: center;">  <p>Rectangle</p> </div> </div> • Spot the shapes in the environment: <div style="display: flex; justify-content: space-around; align-items: flex-end; margin-top: 20px;">     </div> • Draw the shapes correctly or make them using playdough
