

Weekly News

This week it has been a really busy week in school. We have welcomed local business representatives into school for our year 6 skills day, we have participated in a webinar with the RAF, competed in the athletics final and also taken part in National Number Day. We have definitely packed a lot into this week! Next week, is the final week of the term and our focus will be on internet safety as we take part in Safer Internet Day on Tuesday.

Social Media

We always have a lot going on in school and some really exciting learning taking place. To help us share some of what we have been doing in school, we have set up an X account (formally known as Twitter). We can be followed on @cph_school and we aim to share a few photographs of things we have done each week.

This platform is another way of us sharing with the wider community some of the amazing things going on in school each week. It will not replace this weekly newsletter.

Year 5 and 6 Athletics Final

Our Year 5/6 Indoor athletics team took part in their develop final at Clee Fields Sports hall this week after finishing 16th out of 26 schools in the heat. The team were a credit to the school and did really well in their running, jumping and throwing events. They finished in 6th place. A fantastic performance!

Forest School Session

At forest school this week, the children worked as a group to create a seating circle. Everyone got stuck in moving logs and shovelling wood chip to make a lovely area to gather round during our forest school sessions.

Year 6 Skills Day

On Tuesday, we welcomed representatives from local businesses back into school to work with our Year 6 pupils on the World of Work Curriculum. The focus was on the skills of Planning and Organising and Resourceful Thinking. We are grateful to the staff from Yarra, The Ashbourne Hotel, LAAT and ABP who led a range of activities with the children.
