Weekly News

The focus of our work in school this week has been keeping safe online. We celebrated Safer Internet Day on Tuesday with a whole school assembly led by Mr Moss. Within this assembly, we looked at how technology has changed over time. The children were fascinated to see how the appearance of telephones and games consoles have changed over time. We talked about all the positive changes that have happened in the development of new technology and how to keep safe when online. If you need any support in keeping your child safe online then please do not hesitate to contact the school.

Attendance

Regular attendance at school is the most important way that parents can ensure that their child reaches their academic potential and receives the pastoral support they need. For the last few years, since the Covid pandemic it has been quite confusing for parents as to whether they can send their child to school with coughs and cold-like symptoms. The UK Health Security Agency (UKHSA) says that children should attend school with cold like symptoms such as runny noses, sore throats and coughs. Please remember that early morning aches and pains often pass, so don't keep your child at home 'just in case' when they could be learning in class. When you send your child to school with minor aches or pains, please tell the school staff and they will phone you if your child continues to have symptoms. An absence from school due to cold like symptoms may not be authorised. There are very few reasons we can authorise an absence from school. If unsure as to whether your child should attend school then please contact Mrs Drew or the school office who will advise you.

Lost Property

There are lots of jumpers, cardigans and even a couple of coats in our lost property box. Please have a look in here if your child is missing something as there are so many clothes in here of very good quality.

Glow Party

Our Glow Party was a soaring success. We had over 100 children attend the disco and they had a fabulous time with the foam/snow machines being the highlight. The children were kept entertained with games and dancing by Paul from 100% Entertainment. The smiles on their faces said it all! A massive thank you to our PTFA for giving up their time to sell glow bands and drinks. If anyone is interested in joining our PTFA then please contact Mrs Drew or Ceejay Clark.

School Nursing Drop in Session

School Nurses
Parent Drop in Session
Special Focus: Healthy Eating and Healthy Lifestyles Advice

Date: 14th March 2024
Time: 9am
Where: Canon Peter Hall School

Drop by to say hello, or to ask for advice and support.

We can help with
Sleep Diet Toileting
and much more.....
