Weekly News

It's hard to believe it's the Summer term! This year is certainly flying by! We would like to extend a warm welcome to our new nursery children and their families. We are delighted that you have chosen for your child to start their learning journey at Canon Peter Hall School. It's going to be a really busy term with lots of exciting learning opportunities planned for the children.

Nursery Places -September 2024

We are now accepting applications for nursery places for September 2024. We have a happy and friendly nursery environment in which children can learn and play. We offer both 15 hour and 30 hour free childcare places and all children who attend nursery in a morning are also invited to attend our free breakfast club before school. If your child turns 3 before 31st August 2024 please contact the school office to arrange a visit and meet the staff. Nursery application forms are also available from the school office.

Staffing News

We are absolutely thrilled to share the exciting news that Mrs Walker is expecting her second baby. Mrs Walker's baby is not due until August so she is intending to stay with us until the end of the Summer term.

Learning with Parents Trial

During the last term, our Years 1, 3 and 6 children have had access to an online reading record. This is an online and easy way to record home reading instead of the blue paper reading records. This has been really successful and it has been lovely to read your comments and watch the videos which have been uploaded. We are going to extend this trial this half term to include maths homework for Years 1, 3 and 6. Starting on Friday 26th April, children will be sent a piece of maths homework to complete. This will be sent to you by email in the same way as the reading record. Children in all other year groups will continue to receive a paper copy of home learning this term.

Statutory Assessment Weeks

This term some of our children will complete statutory assessments. These are assessments which the government state all children in certain year groups must undertake in all schools across the country. These assessments can only be completed on specific dates so it is really important that your child is in school on these dates.

These are as follows:

Year 6 SATs Week: Monday 13th May- Friday 17th May

Year 4 Multiplication Check: Monday 3rd June-Friday 7th June

Year 1 and 2 Phonics Screening Check: Monday 10th June-Friday 14th June

Diary Dates

In order to give you as much notice as possible the following events are booked into the school diary for this term. Some of these are obviously weather dependent so are subject to change. We will let you know dates of Year 6 leavers events in the next few weeks.
