

Weekly News

This week it has been lovely to visit classrooms and see the children engaging in their new learning. In particular, it has been fantastic to see how well our new nursery children have settled into school life and started to learn the routines of the school day. Over the last few weeks, we have had a few visitors into school and they have all commented on the children's amazing learning behaviours and conduct around school. We are incredibly proud of our children and the way in which they live out our Christian Values every day.

Staffing News

Last week, we welcomed Mrs Hodson to our site team. Mrs Hodson has been appointed to the role of cleaner and is also responsible for unlocking the gates at home time so you may see her as you come to collect your child at the end of the day.

Big Talk Education.

Next Tuesday, we will be joined in school by the team from Big Talk Education to help us deliver our Relationships Education. Big Talk are a Social Enterprise recognised by national lead bodies and the government. They are committed to delivering age-appropriate high quality relationships and sex education in order to keep children safe, happy and healthy. Information regarding the content of the sessions was sent to all parent email addresses a few weeks ago. The parent presentation can be accessed through the following link: <https://www.bigtalkeducation.co.uk/year-by-year/>

The password to access these presentations is Happy&Safe

Kingswood Parents Meeting

On Tuesday 30th April after school there will be a short meeting for the parents of our Year 5/6 children going to Kingswood in June. Mr Moss is leading this residential and will outline some of the activities the children will be engaging in and going through the kit list. He will also be available to answer any questions you may have after the meeting.

World of Work Curriculum

Our World of Work curriculum is unique to our school. This week our year 6 pupils were fortunate to have another opportunity to work with local businesses to help show them the opportunities available to them beyond school. We are always incredibly grateful to our local businesses who support us on these days. This time the focus was on the employment skills of Financial Literacy and Leadership. The children all worked with representatives from ABP, VPI Immingham, Yarra and the LAAT. They were challenged to complete various tasks as a group and then reflect on the skills they had needed to do so. It was a fantastic morning and our thanks go to the local businesses who support our year 6 pupils.

Choir Performance

Our choir have rightly earned a bit of a reputation in the local community for their amazing performances. This Saturday they have been invited to perform at the Mayor's coffee morning. The children are incredibly excited to perform to the wider Immingham community and we are confident they will showcase the musical talent we have here at Canon Peter Hall. We look forward to seeing some of you at the Civic centre on Saturday!
