## WEEKLY NEWS

We have had so much to celebrate in school this week. We have been delighted to receive letters of thanks from both Mama Lynn and Immingham Mayor thanking our children for making a difference to the lives of others. Many of the classes have taken advantage of the warmer weather this week and there has been lots of learning taking place outside especially in Science and PE. Our new online maths homework which is currently being trialled in Years 1, 3 and 6 has proven very popular with some lovely online comments posted. The staff love reading the comments and watching the videos you post so please keep these coming!

## CHOIR PERFORMANCE

Last Saturday, our choir were invited to perform at the mayor's coffee morning held at Immingham Civic Centre. The children entertained the audience for thirty minutes with a selection of favourite songs. We were thrilled to receive a special letter from Mayor Karen Swinburn thanking the children for their high-quality performance and praising their impeccable behaviour. Thank you to all of the families who came to watch the children perform. I'm sure you were as proud of them as we were.

## LOST PROPERTY

Our lost property drawers have been moved from the front entrance to the Year 3/4 entrance. This is to enable children to go look for their missing clothes independently rather than rely on an adult to look for them. There are quite a lot of items of clothing already in the drawers so if you are missing something, please come and have a look.

## Year 4 RAND FARM VISIT

Our Year 4 pupils were blessed with fantastic weather for their residential visit to Rand Farm this week. The children enjoyed time feeding and caring for the animals, a tractor ride to the woods as well as lots of outdoor play. There were some very tired but happy children getting off the bus on their return to school. Our thanks go to the teachers for accompanying the children on this overnight visit. We now all have our fingers crossed for similar weather for our Year 3 visit next week!

## NEWS FROM AFRICA

Before Christmas you may remember some of our children made and sold items at playtime to raise money for the charity 'Light in Africa'. We sent the money to Mama Lynn in Tanzania to support her work and this week we were excited to read the monthly *Light in Africa* Newsletter and find we had a special mention:

*The children of Cannon Peter Hall Christian School in Grimsby, UK were very active making and selling items to raise funds for our children's benefit. We thank the staff and the children for caring about us and our needs across all those miles. And I hope sometime in the future to be able to come to the school and thank you all personally with some letters of appreciation from our children.*

## BINGO NIGHT

The PTFA are organising a Bingo Night on Thursday 16th May at 3:45pm. Further details will follow next week.

They are currently sourcing prizes for the event and would be grateful of any donations from local businesses. If anyone knows any business who may be able to help then please contact a member of the PTFA.
